

Edenham C of E Primary School

Feedback from the Questionnaire for Parents and Carers of Edenham School Spring 2015

Many thanks to all who filled in the questionnaire for parents. The number of responses was fantastic. The results of this have been collated and we are delighted that a significant majority of parents are happy or very happy with the teaching, learning and overall experience their children have in our school.

Thankyou to those who took the time to add comments to your responses. Many of your comments were very positive and were much appreciated. A few responses raised general questions. It may be we have approached you individually about those. If we have not, it may be that your question will be addressed for example, in the further information coming from Mrs Brooks and the RE Survey or by looking on the school website to find out about the wide range of subjects, skills and learning that the Edenham children experience.

Other queries for example, about class size and provision for larger classes, could be talked about with Kris or your child's class teacher if you would like to follow that up further. However, when we come to a year where we face a more challenging issue, we will keep you informed of provision as a matter of course.

The staff and governors are keen to continue to provide the best quality of education they can and aim for excellence wherever they are able. We have therefore picked out two areas on which to focus our attention in the near future;

1. A review of how communication between school and parents of children with identified Special Educational Needs and disabilities is conducted.
2. A review of the Homework policy and provision.

In addition, we are aware that a significant number of parents feel they do not know much about the governors. It could be that some of you are happy to leave it that way!

However, if you would like to know more, we will introduce a regular parentmail update (termly) with the key items that have been addressed for your information. You can contact us directly either at enquiries@edenham.lincs.sch.uk or governors@edenham.lincs.sch.uk if you have specific questions for the governing body.

There is an annual newsletter on the school website – www.edenham.lincs.sch.uk – the current issue will give you a good overview of our roles.

We hope this helps. Don't forget many of the governors are regularly at the school gate and will happily chat about some of the things we have been working on.

So, huge thanks again to you all.

Best wishes

Mrs Kris Radford-Rea (HT) and Mrs Claire North (Chair to the GB)
