

Edenham CE Primary School PE and Sports Premium Report 2014-15

What is the PE and Sports Premium?

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

Edenham School has decided to use the money to:

- employ a specialist PE teacher to work alongside our teachers when planning and delivering PE in order to strengthen teaching and learning in this subject across school
- support and engage the least active children in physical activities
- pay for professional development opportunities for teachers in PE and sport
- increase pupils' participation in the sports and physical activities
- provide places for pupils on after school sports clubs
- improve resources to support the development of the subject
- Assist with the cost of transport to sporting events

Reporting the PE and Sports Premium

It is the responsibility of the PE Coordinator to explain the PE premium expenditure to parents/carers in the form of an annual statement. There is no set format for the report of the grant. Edenham School will publish details of a report on the school website annually from April 2014 – www.edenham.lincs.sch.uk

This report aims to detail information on how the grant has been used within the School.

Reports will also detail the impact made by the funding and also the number of pupils involved in both competitive and non competitive sport throughout the school.

Edenham CE Primary School
PE and Sports Premium Report 2014 - 2015

Overview of the School

Number of Pupils and Pupil Premium Grant (PPG) Received	
Total number of pupils on roll (NOR)	110
Total number of pupils in Jan 13 census	107
Lump sum	£8000
Amount of Sports grant received per pupil	£5 per pupil
Total	£8550

Due to a delay in funding allocation, the Sports Grant will now run in line with Academic Year, not financial. This means that we have only received 7/12th of the Sports Grant (£5173 Sept-March). We will receive the rest (£3695 April-Aug). This will then repeat itself for the next academic year (2014-15) and the one after that (2015-16). This will make a small negative difference to the anticipated amount of carry-forward we expect this year.

Provision:	Sports Grant Expenditure	Additional School Expenditure
The range of provision the school has used the Sports Grant allocation for includes:		
<ul style="list-style-type: none"> • Subsidising clubs so that more pupils can participate regularly in a range of sports coaching activities 	£840
