Today I have done some maths and it's nearly play time and nearly golden time . We have been learning about God, and we looked at the 5 candles. We also do art and painting and the play ground is so fun. At school and all of my friends are called willow, Harriet, Lucy, Neave and Nancy, and my teacher called Mrs Dench

In class 2, I liked super day I was PopEye. There was a year 6 that called me Pop Eye all the time and I went in assembly because Kris had not seen Pop Eye in ages, and from that day she always called me PopEye, and it got quite annoying by getting called PopEye PopEye PopEye all the time. Then she left and I never got called PopEye again and happy days of not being called PopEye and on spotty day, I was the only one in the class who wore a Christmas jumper.
