Class 2 News Bulletin Autumn 2016.

I enjoyed hot dog lunch and the conker competition, and the school disco too. And I had sweats at the school disco and it was fun. We danced and we did musical statues and musical bumps and after the school disco I went in my dads car wen we went home. We had some more sweats to and it was the best day ever as well .

Thea

Eva had a very nice hot dog lunch. We went to church on for our Harvest Festival. Class 2 sat all over the church and we popped up as little mice to read our poem. On Tuesday we did science and today we are doing a Newsletter. On Tuesdays we do show and tell and on Friday we do Forest School.
