

## Edenham CE Primary School PE and Sports Premium Report 2015-16

### **What is the PE and Sports Premium?**

The government is providing additional funding of £160 million per annum for academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers.

From September 2017 the funding is being doubled to £320 million, due to the new sugar tax on fizzy drinks.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

### **Purpose of funding**

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

Edenham School has decided to use the money to:

- employ a specialist PE teacher to work alongside our teachers when planning and delivering PE in order to strengthen teaching and learning in this subject across school
- support and engage the least active children in physical activities
- pay for professional development opportunities for teachers in PE and sport
- increase pupils' participation in the sports and physical activities
- provide places for pupils on after school sports clubs
- improve resources to support the development of the subject
- Assist with the cost of transport to sporting events

## Reporting the PE and Sports Premium

It is the responsibility of the PE Coordinator to explain the PE premium expenditure to parents/carers in the form of an annual statement. There is no set format for the report of the grant. Edenham School will publish details of a report on the school website annually from April 2014 – [www.edenham.lincs.sch.uk](http://www.edenham.lincs.sch.uk)

This report aims to detail information on how the grant has been used within the School.

Reports will also detail the impact made by the funding and also the number of pupils involved in both competitive and non competitive sport throughout the school.

<b>Additional School sports</b>	<b>TOTAL:</b>	
	<b>TOTAL:</b>	
	<b>£5983.26</b>	

<b>Impact:</b>		

The impact of the Sports Grant for 2015/16 has been:

- Pupils have benefitted greatly from the enrichment of the curriculum and from the pastoral support on offer.
- Improved attendance and punctuality along with improved self esteem and self image have led to clear gains for many of these pupils.
- The after school clubs and the opportunities to train in specific sports, has enabled the pupils to become more competitive leading to success in competitions.
- There has been a greater number of pupils from all ages participating in a variety of sports.
