

TELLING THE TRUTH!

ARE YOU TELLING THE TRUTH!

You need to tell the truth and you might not get into as much trouble.

When you lie you will only feel bad for what you have done so say sorry and you might be forgiven.

Stealing will do you no good!
If you do not tell the truth you will have
butterflies in your tummy.

WHO TO TELL!

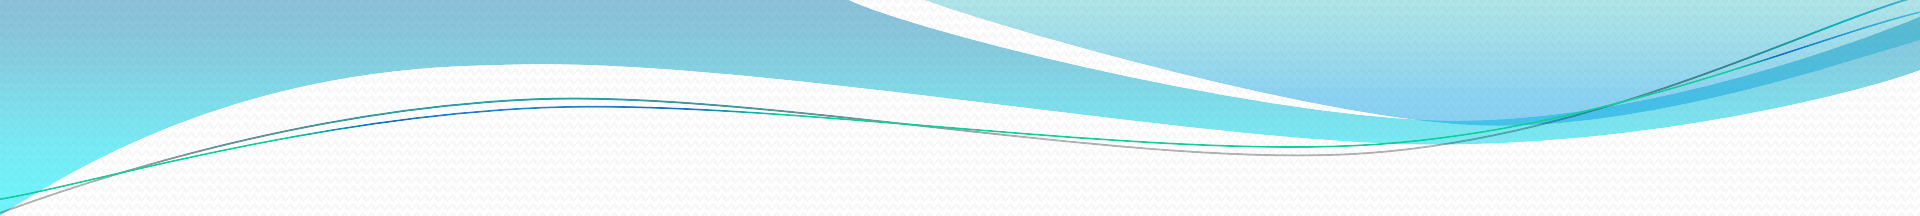

Some people do not tell the truth but
you need to tell the truth if you have
stolen something that does not belong
Own up – and be brave.

Why is telling the truth so important.

It is so important because you can hurt other people not just yourself.

It is very important that you do not hurt your friends.

So be very careful what say and do!

Sometimes the truth makes things all better but not always , you have to say sorry to the person you have hurt in the first place.

Any questions.

“Telling the truth
and making
someone cry is
better than telling
a lie and making
someone smile.”

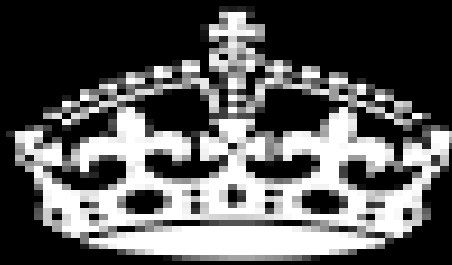

-Paolo Coelho

~~Lies~~

Truth

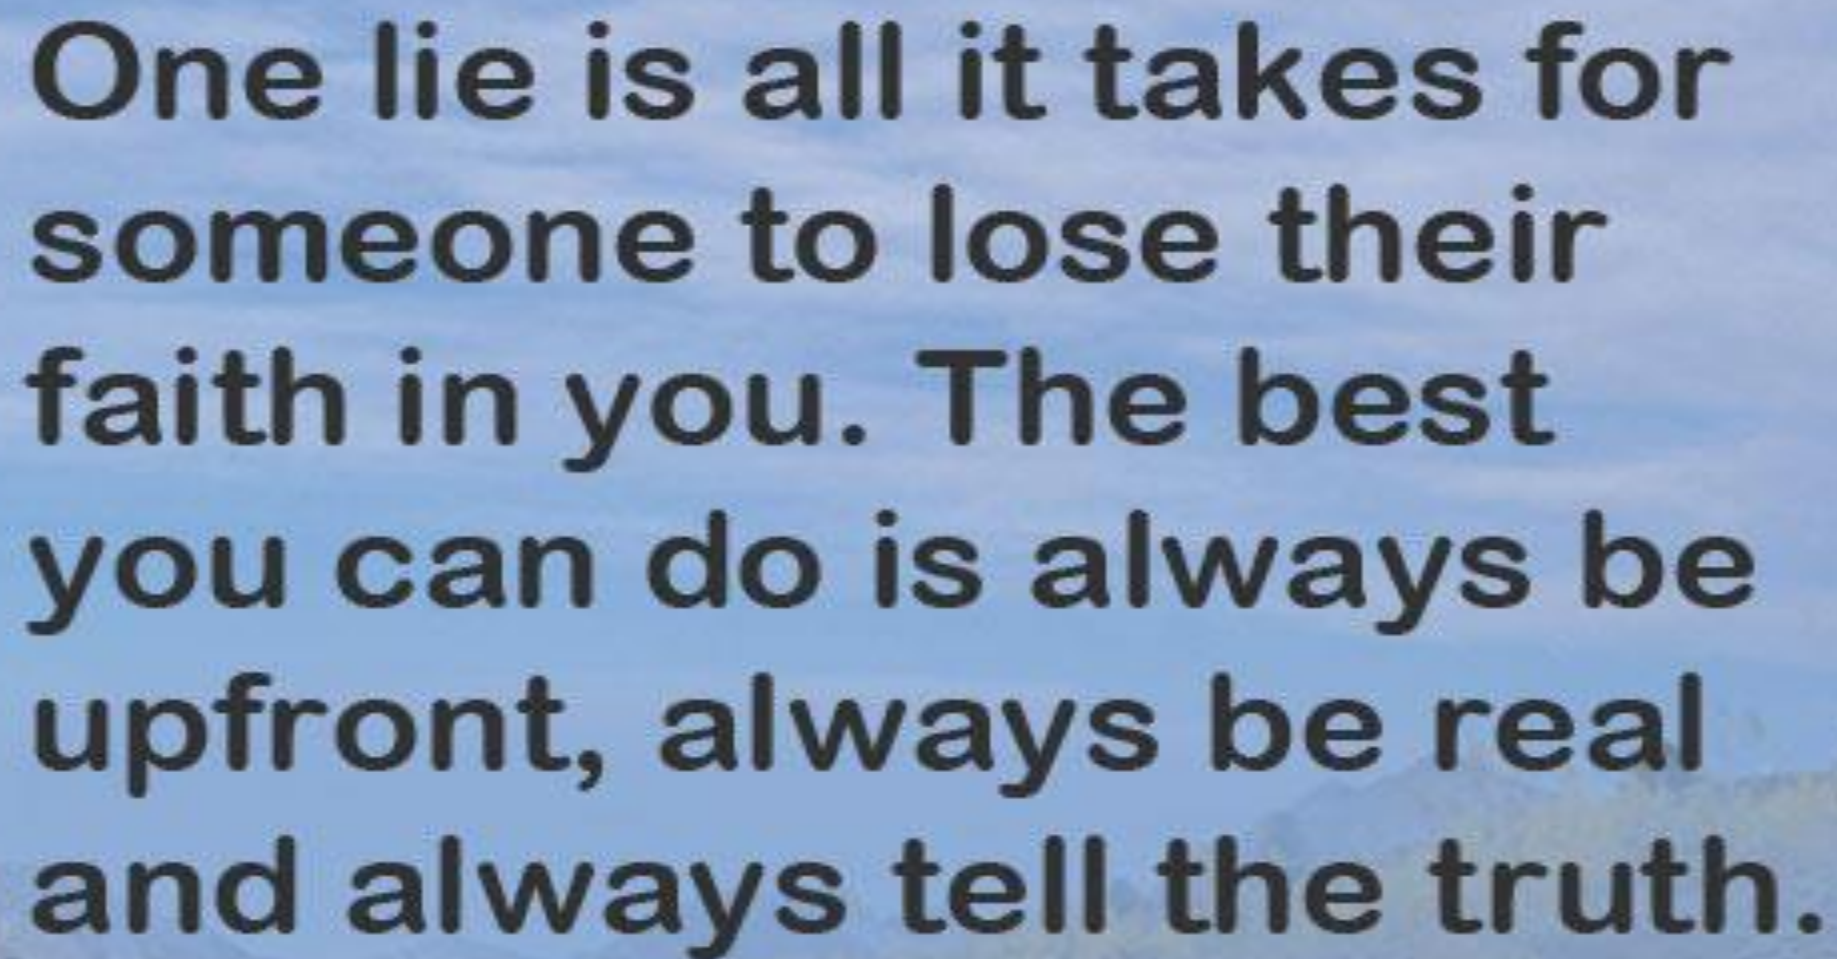

The **truth**
may hurt for
a little while,
but a **lie** hurts
forever .

KEEP
CALM
AND
TELL THE
TRUTH

One lie is all it takes for someone to lose their faith in you. The best you can do is always be upfront, always be real and always tell the truth.

The background of the image is a scenic landscape. In the foreground, there is a row of trees with yellow and orange foliage, suggesting an autumn setting. Behind the trees, there are rolling hills or mountains under a clear blue sky with some light, wispy clouds. The overall atmosphere is bright and open.

**THE TRUTH
DOESN'T COST
ANYTHING,
BUT A LIE COULD
COST YOU
EVERYTHING.**
