

Dahl Class

Spring 1

Are humans the most powerful thing on Earth?

Welcome to Spring Term 1. I hope you and your children had a happy and restful Christmas. We have lots planned again this term and I look forward to watching the children grow further with their hard work and with their learning.

Above is a summary of what we will be covering in the subject areas across this term. If you have any questions, then please let me know using your child's communication book.
