

Dahl Class – Term 4

Do inventions make the world better?

Reading Eggs and Mathletics task will be set on alternate Fridays (one-week Mathletics and the next Reading Eggs) and these should be completed by the following Thursday. Children are also more than welcome to use these resources at any point to earn those certificates! Children should also keep practicing their weekly spellings and of course read regularly.

Please choose 2 tasks below from separate areas (you are welcome to complete more if you wish) to complete, these should be brought into school between, Monday 7th February and Wednesday 9th February when we will celebrate the children's hard work. This homework will also be used as a display of all your hard work.

Maths	Create a multiplication game in which you use your knowledge of the 2s, 5s or 10s-time tables.	Create your own mathematical word problems based around an invention.	Create a poster explaining what division is.
English	Write a book review of your favourite book.	Create an acrostic poem using the word textiles.	Choose an item of clothing within your home and write a description of it.
Big Question	Make a list of the physical and human features you can spot in your surrounding areas.	Create an image of an invention. It is up to you how you do this.	Create an invention to help Dahl Class put lids onto glue lids. You could have ago at making this invention or draw and label a diagram of it.
