

Class One -Term 1

Hello and welcome. What a wonderful first week we have had so far in Class One. I am so impressed at how the children have settled in and made themselves at home. The next couple of weeks the children will continue to settle in before we begin our learning timetable.

A big thank you to those who have engaged in Tapestry already. It is lovely to see and hear from you all. Also, a thank you to those who are using the Communication Books when they need to. I hope you are finding them helpful!

This terms learning:

Our topic this term is ALL ABOUT ME. This is going to be a fantastic topic for the children to share and learn all about themselves, their families and each other.

Phonics: We will begin phonics in the next few weeks where information will be posted in your child's communication books with their new weekly sounds that they will be learning.

Maths: As above, we will begin maths in the next few weeks where information will be posted in your child's communication books with the maths focus for the week.

Things to remember:

FOREST SCHOOL: Thursdays (children to come to school dressed in long sleeved clothing and trousers with suitable outdoor shoes and a waterproof coat)

P.E: Fridays (children to come to school dressed in their P.E kits with either trainers or plimsolls)

Water bottles: please send your child with a water bottle to school on Monday where this will then remain in school until Friday where they will be sent home. An adult will ensure your child's water bottle is filled daily.

Snacks: please send your child with a healthy snack to school – fruit and milk will also be provided.

If you do have any questions or worries, please let us know via email, telephone or the communication books.

I am so very excited for this term and I hope you are all too!

Miss Denton
