

Newsletter Term 3

The end of Term 3 means we are already half way through the academic school year. We are looking forward to seeing better weather to coincide with lighter nights.

New items on this term's menu

Tacos were new to the menu this term and were hugely popular! Look out for them again on Thursday 24th March.

Chicken & Vegetable Pie was a huge hit. Meatballs were back after a long absence and were welcomed with open arms (and mouths!) And Chicken Curry with Rice & Naan Bread went down a storm with loads of clean plates - delicious.

Wyberton School Council

We were thrilled to be invited to a School Council Meeting. The children were keen to discuss their school meals and commented how yummy they are!

Thumb's up!

Whaplode have come up with a brilliant way of encouraging their children to show good behaviour during lunch. The best behaved table in each year group gets awarded with a Golden Thumb's Up! - *Fantastic.*

School Governor

We welcomed a visit from one of Fleet Wood Lane's School Governors. Working together to ensure the quality of the children's school lunches. Please contact us if your school representative would like to visit.

Theme Days

Theme days are planned for Pancake Day & Red Nose Day

Willoughby Foods School Garden

We have been wonderfully supported with offers of seed donations for our School Garden. The response from schools who are keen to take part has been fantastic. Seeds will be coming to schools shortly ready for germinating.

Helping to get children growing and eating their own produce - it's going to be great!

We've also been delivering tasty meals
