Number 10

14<sup>th</sup> February 2020

We have made it through a very wet and windy few weeks, as always our children have shown what a hardy bunch they are; arriving at school each day with a smile on their faces and as excited as ever about getting out side for break times or outdoor learning!

## The Library

Thanks to all the efforts and generosity of our school community, our library makeover has started and is almost complete. As well as a fantastic environment being provided for the children to enjoy books in, we have also purchased some quality texts and resources for children to enjoy. We will look forward to inviting you all in after half term to see what your kindness has enabled the children to be provided with.

## Ash Wednesday Service

Our Ash Wednesday Service will take place on the afternoon of the 26th February. As always, you are all welcome to join us. Thanks to Father Ed, the school now has some great music resources that the children have enjoyed using in Collective Worship to ensure we are able to sing and enjoy some fantastic hymns and songs which we will look forward to sharing with you.

## Good Byes

This week we have had to say good bye to some of our staff. As we have said previously, they have given the school many wonderful years and made a difference to so many children, we wish them all the luck in the world for the future.

## Mrs Locke

With Mrs Marsden choosing to take early retirement, we have recruited a new T.A this week. Mrs Locke will be joining us after half term, we are very excited about her coming to work with us and seeing the children continue to benefit from the experience she brings.

## Disco

The children had a fantastic time dancing to old classics and new hits at our disco on Thursday. All funds raised will be going to towards purchasing some more reading materials, benefiting children across the whole school. A huge thank you to 'It's Funtime' for organising.

## World Book Day

World book Day is on Thursday 5<sup>th</sup> March – More information to follow.
