6th March 2020

Our second Spring Term has started wonderfully with lots of exciting trips and experiences happening. There has been some fantastic learning going on around school, it is wonderful to see and hear a buzz in each classroom with children being really engaged in their lessons.

It's a girl!

A huge congratulations to Mrs Robinson and her family who welcomed Flora in to the world on Wednesday. Both Mrs Robinson and Flora are happy and healthy, we are all looking forward to meeting the latest addition!

Matt Dickinson

The children had a fantastic time hearing about Matt's adventures and partaking in writing and reading workshops last Friday. It was amazing to hear about him summiting Mount Everest, and the effort and perseverance this took. He then spoke with such passion about writing, it was hard not to be inspired!

World Book Day

For the first time we worked with a range of local schools virtually: using an online notice board, children from each class were able to discuss their given text with other children. The whole day was a great success with smiles all around. The profile of reading has been really raised across school, it is wonderful to hear children talking so enthusiastically about books they are reading at school and home, thank you for your support with this.

Parents' Evening

As always, this is a great opportunity to catch up with your child's teacher and hear about the progress they are making. We would like to thank you for your continued support and the work you do with your children at home. Spending time reading, playing Maths games and talking to children about their learning has really had a positive impact.

Writing for purpose

One of our focuses at the moment is ensuring children are writing for a purpose. This has proved to be successful with some very effective writing being produced across school. Recently children in Class 2 and 4 have written stories which they have then spent time sharing with other children. It was very powerful seeing the joy on their faces when they received such positive reviews from their peers.

Multi Skills Festivals

Year 2 visited Bourne Grammar this week to take part in a Multi-skills / Dance Festival. This was a fantastic opportunity, to visit a different environment and mix with children from other schools. The children were a real credit to the school.

Safeguarding

Just a reminder, Mrs Flack and Mr Pasqualino are the designated safeguarding leads at Edenham, however everyone involved with the children at our school are fully aware that safeguarding is everybody's responsibility.

Mrs Locke

Mrs Locke has now started with us and settled in fantastically. She has taken over from Mrs Marsden, but has spread her hours across 5 days. Mrs Locke has already started to get to know many of the children and is looking forward to continuing to work with them.

Parent Forum Feedback

After reading the feedback from the Parent Forum, we would like to thank you for your comments and have taken the feedback on board. We look forward to implementing changes to the school to make it a better place for the children.
