Number 13

27th May 2022

Another busy term has come to an end. Hopefully you will all be able to enjoy a restful half term with family and friends and re-charge ready for our final term!

Queens Jubilee

We wanted to say a huge thank you to you all for all your efforts you have put into our Jubilee Celebrations. It was amazing to see all the children dressed up and throwing themselves into the different decades. The children were all very excited to show you what they had been up to also, so thank you for taking the time to come and look at that.

Saving Electricity - by our Eco-Team

Today, we spoke in Collective Worship about ways that we can save electricity and why it is important. Over half term we are all going to try really hard to turn off lights when we are not in the room, but also things like t.v.s and game consoles as well.

Rogation Walk

Every year we look forward to our Rogation Walk and this year was no different. It was wonderful to see all our children helping one another and making sure that all tired legs kept moving to reach Grimsthorpe Castle. Children read prayers beautifully along the way, and every single child was a great ambassador for our school. As well as Father Ed, it was wonderful that another governor, Mrs Lawrie, was also able to join us.

Clubs

Just a reminder, this terms clubs have now finished. We will be sending information out about the next clubs on offer in the first week back.

School Trips

We are currently starting to plan for next year, considering our curriculum and ensuring that we are providing experiences that our children deserve. As part of this, we would like to collect your views surrounding school trips. In the first week back you will be emailed a questionnaire about this, we would appreciate if you could take a few minutes to complete this.

Reading Competition - by our Librarians

Lots of people have been earning their badges, and medals now and some children have even made it into the prize draw. Make sure you continue to read over half term to keep earning rewards and be in with a chance of winning the mystery prize!
