Number 15

5th July 2022

We only have one newsletter to go after this one, this year has flown by - we have so much to celebrate and so much to look forward to!

Thank you so much to everyone who came to join us on Sports Day, it was fantastic to have everyone together cheering the children on and I am sure you will agree the children did a fantastic job showing great perseverance and sportsmanship.

Church Festival

Last week our Year 6s had a trip to Lincoln Cathedral. They were joined by other Year 6s across Lincolnshire taking part in a number of challenges and workshops. The Cathedral is always a fascinating building to visit and the children represented the school brilliantly.

Immersive Experiences

All our children have taken part in an immersive experience to bring their learning to life. We had children venturing under the sea, going to astronaut school, saving a Roman gladiator and much more. We are really looking forward to having this resource in our school next year to use across the curriculum.

E-Safety

Using the internet safely is a large part of safeguarding which is the most important thing to us. Blackman Class welcomed an E-Safety expert into their classroom to talk to them all about appropriate use of technology and how we can use it safely whilst taking advantage of the joy and usefulness it can bring.

End of Year Reports

The annual end of year reports will be coming home with children on Friday 8th July. After reading your child's report if you have any questions, please do not hesitate to contact the office who will arrange for your child's teacher to contact you.

Leaver's Service

Our Leavers' Service will take place on Wednesday 13th July at 9:30am within church. All parents are very welcome to attend.
