20<sup>th</sup> September 2019

I can't quite believe we have been back at school for 3 weeks now, the summer holidays are a distant memory but despite some drizzly mornings the children have been showing a fantastic positive attitude towards school.

Our new curriculum has taken off with the children beginning to think about big questions, and taking a philosophical view. It is amazing to hear some of the conversations that are occurring from children of all ages.

One of the key things that is helping our children have these conversations is the material that they are reading, this is vitally important for children in all year groups. Please continue to read with your child and discuss what they have read as often as possible as this is a huge benefit to them. Don't forget, it doesn't have to be their current reading books, it could be articles, magazines or anything else that they show an interest in.

## Welcome Service

Thank you to those who attended our Welcome Service. It was lovely to welcome our newest members of Edenham to our school, and also for members of our larger family (The Lincoln Anglican Academy Trust) to be part of our service.

## Macmillan Coffee Morning

On Friday 27<sup>th</sup> September Class 4 are hosting a Coffee Morning to support the Macmillan charity. This will be open to the whole community (9:00 – 10:30) and then children will have the opportunity to purchase a cake at break time. If you are able to donate a cake (bought or baked) please bring it to the school hall on Thursday 26<sup>th</sup> September.

## Parking

Just a reminder that cars should not be parked on the yellow zig-zags outside of school, nor should any cars be blocking driveways of our neighbours. The village hall carpark is available to use each day.

## Year 6 trip to Charles Read

Our Year 6s visited Charles Read Academy this week to take part in various sessions surrounding Maths and English. Although challenging they had a great time and, as always, were fantastic ambassadors for our school.

## Open Morning

We held our first Open Morning for prospective parents this week. It's always wonderful to see people around our school, and let people see how amazing our children are. We are looking forward to having another open morning in November to give you the chance to come in and work alongside your children.

## Readers

We are always looking for volunteers to come and listen to readers or spare some time to work with our wonderful children. If you are interested in doing this, please speak to the office. For those who have already shown an interest, thank you so much and we will be speaking to you shortly about times and days.

## **Spruce Up**

If you are free on the 5<sup>th</sup> October 9:00am – 12:00am why not come and help us spruce up the school grounds. We are looking to brighten up our outdoor environment and have a general tidy up. All help and any tools to cut, lop and sweep would be great appreciated.

If you aren't able to come but still would like to help we are looking for donations of outdoor paint, any colour or amount (even half full tins) would be well received. Please see Mrs Robinson for more details.

## **Greenhouse**

The school currently has a greenhouse frame that is surplus. Anyone who is wanting a new greenhouse is more than welcome to have it, a small donation for this would be welcomed.

## **Important Events**

24<sup>th</sup> Sept – Brancaster Meeting at 3.20pm

25<sup>th</sup> Sept – Reception Class Photo

27<sup>th</sup> Sept – Macmillan Coffee Morning – 9-10.30am
