Number 4

12th November 2021

It is great to be back after half term and to have heard all the wonderful things that the children have been up to. We now look forward to the run up to Christmas and all the excitement that comes with it! Staff have been busy planning some wonderful learning opportunities for our children and we cannot wait for our pupils to experience them.

Parents' Evening

As our previous communication to yourselves stated, Parents' Evening will again be held virtually on this occasion, and again we will be using SchoolCloud. Booking for this is open from Friday 12th November until Friday 19th November. Please log on and book a convenient time to talk to your child's teacher about their progress. If you have anything specific you would like to discuss, please let your child's teacher know before the meeting. Following the meeting your child will bring home resources that will help you, help your child with any targets that will be discussed.

Remembrance Day

Yesterday was the first time since we introduced bubbles that the whole school was able to be safely together in church to take part in our Remembrance Service. Our Year 5 and 6 School council members led us across to church holding our commemorative poppy, whilst Jeffers and Dahl Class laid poppy wreaths that they had created and members of Morpurgo Class shared poems they had written.

Mental Health and wellbeing - Movember

The mental health and wellbeing of all our community is vitally important to us. To raise awareness of this, Mr Pasqualino is participating in Movember to get people talking about Mental Health. Throughout November he will continue to grow a moustache (not a stick on one as some of our Year 6's thought!) and throughout school we will continue to talk about looking after our mental health.

Virtual Reality

We are very excited to be taking part in our first Virtual Reality event next week. Below is a list of where each class will be visiting.

Jeffers Class - Space & The Amazon

Dahl Class - The Amazon & Mount Everest

Morpurgo Class - Ancient Egypt & Rivers and Waterfalls

Blackman - Rome & The Human Body

Parent Pay

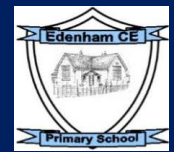

Many thanks to all of those who have set up their Parent Pay Accounts. If you have still yet to set up your account, please could you do this as soon as possible as events such as the Virtual Reality day will be on there. If you have any queries regarding this, please do not hesitate to contact the school office.

Children in Need

On Friday 19th November, we are having a dress down day for Children in Need. This year we are asking parents to donate money online. A link to the online donations page will be sent out to parents.

Christmas Events

As seen previously, our Christmas performance has been led by EYFS and KS1 and this will continue again this year. Due to many uncertainties, it will be performed and filmed with a link sent out to parents. A letter will be sent out next week with more details.

This year children will be participating in a sponsored Santa Dash to raise money for the school.

All children will be making Christmas Decorations that will be made available to be purchased by our community. Again, we would like to raise money to purchase up to date and engaging texts for our children to enjoy.

Christmas Jumper Day will be on Friday 10th December.

As we move forward, more details about these events will be communicated to you.

Governors

We are currently looking for Governors to join us. At this time, we are looking for members who are not parents of children currently in our school. If you do know anyone who would be interested, please do not hesitate to get in contact with us or pass on our details to them.

Reading

This week we have been spending time talking to children about Reading at Edenham. It has been a great opportunity to hear them speak so positively about it, thank you so much for supporting this at home also. This term, we will be holding sessions open to parents to discuss how we teach Phonics and Reading at our school and what you can do to help support this at home.

Willoughby Foods

Our Christmas Lunch will be on Thursday 16th December. If you would like to order a Christmas Lunch, please order via Willoughby Foods by the 7th December (Please see attached Menu). Should you have any queries regarding ordering, please contact Willoughby Foods Tel: 01205 351133.

School Values Design Challenge

We would like to create canvases to display each of our school values so we are setting the challenge to the most creative people we know..our pupils! We want them to design a canvas which represents and expresses one of our values, one design for each value will be chosen and created into a canvas which will then hang in the school hall for all to see.

Each class has a separate value to work on:

EYFS/Year 1 – Courage
Year 2 – Hope
Year 3 – Perseverance
Year 4 – Forgiveness
Year 5 – Respect
Year 6 – Compassion

Please hand in your design to the school office by Monday 22nd November.

Reception 2022

Edenham C of E Primary School
Contact us for a family tour

- An individual and exciting curriculum
- Established links within the local community
- Strong pastoral and spiritual support
- Newly refurbished EYFS area
