17th December 2021

Just like that, our first term in 2021 is completed. From September to December, our children have amazed us with their ability keep on keeping on despite everything that has been going on around, they have been fantastic. I would like to take this moment to thank you all for your continued support and wish you all a very restful, Merry Christmas and a truly, wonderful New Year.

Santa Dash and Prize Draw

Our Santa Dash was a great success, and very exhausting! It was wonderful to see all our children supporting one another and to see everyone try their very best to achieve their own little challenge. It was also great to see the support offered from parents, thank you for this! We are very pleased to announce that the sponsorship for this event along with the prize draw raised a total of £1060.00. This will be used to purchase resources to continue to improve our reading and spelling curriculum.

Our Website

We continue to make changes to our website to make it easier to use and to make it more informative. The latest updates have been on our Curriculum page, here you will find information about each subject we teach, what is covered within these subjects and how they progress from one-year group to another.

Christingle Service

It was lovely to return to church this week to celebrate Christingle and to look forward to Christmas. Father Ed led a lovely service which all our children loved. They especially enjoyed the Christmas Gameshow! We keep our fingers crossed that we will be able to invite parents to our next service to join us.

A thank you from Mr Porter

On behalf of my daughter Sara and my son Ben, I would like to pass on our sincere gratitude for all the kind donations that were made in memory of my wife Liz Porter who was a Teaching Assistant at Edenham C of E Primary School for over 20 years. Whilst the donations made through the Just Giving website were greatly appreciated, it was all the amazing words that accompanied the donations that became, and will always remain, a source of much comfort to Sara, Ben and myself. Liz thoroughly enjoyed all her time at the school and took so much pleasure from working with all the children and helping them make a positive and enjoyable start to their school lives. Over the years, Liz made many really good friends, both from the colleagues she worked with and also the parents of the children who attended the school. When we were first asked about donations in memory of Liz, we knew there was only one place where we knew the money should go to because Liz had so many happy and rewarding years at the school. We have to admit that we initially thought that we might be able to get a few books so we have been totally overwhelmed by the £2,500 that was donated. Not only would we like to thank everyone who donated (and left a kind message), we would like to take this opportunity to thank Michael and his colleagues at Edenham C of E Primary School for helping us to decide what the money should go towards, and then arranging to put everything in place. To know that so many children now, and in years to come, will benefit from all this is something that we are immensely proud of. And we know that Liz will be looking down and also feeling very proud of the memory she has left with the school.
