Number 9

31st March 2021

We have reached the end of another term, another term that has thrown us challenges and difficulties - which as a community we have overcome. It has been wonderful for us all to be back in school together and continuing to learn with one another, continuing to make progress from the hard work that was carried out at home. I hope you are all able to enjoy time with your families, see those who you have been unable to see for a while and have a happy and restful Easter!

We look forward to seeing you all back on Monday 19th April.

Home learning

Although teachers will not be setting mathematics and reading eggs to carry out over Easter, the resource is still there to be used. We encourage children to carry on reading over the Easter break, and make use of the resource's teachers sent home to support children with their own individual targets.

Tube Characters

We have had some great kitchen roll book characters being created and they are being displayed in our library. Over Easter, using a kitchen roll tube create your favorite book character. It would be great if we could fill the library with a mass of characters!

Lunches

New menus are available from Willoughby Foods for ordering meals for the first week back after the Easter Holidays. There are a few new dishes on the menu which we hope the children will enjoy trying. Please ensure you please your orders by Tuesday 13th April for the first week back after Easter.

Comic Relief 2021

Thank you to all of you that donated through our Just Giving Page we managed to raised £165.00 Thank you!

Pick up and drop offs

Staggered start and home times will continue over Easter, your co-operation with this is greatly appreciated.
